8. (Confidential - GLC) Al Tarabochia, Senate Internal Security Subcommittee staff, talked with me about the Subcommittee's interest in a militant anti-Marcos movement in the Philippines which has substantial contacts in this country in the San Francisco Bay area. Tarabochia is interested in anything we know about this movement and the extent of assistance which they receive from persons in this country. I told him I would look into this and call him back.

9. (Unclassified - GLC) Hand-carried to the Senate Foreign Relations Committee office a letter from the Director to Chairman Fulbright on the subject of Agency assistance to U.S. law enforcement agencies.

I also left with the office of Senator Clifford Case (R., N.J.) a letter from the Director to the Senator responding to a letter from Senator Case on the above subject.

10. (Unclassified - GLC) Left with Herbert Roback's, Senate Government Operations Committee staff, secretary a letter from the Director to Chairman Holifield on the subject of Agency assistance to U.S. law enforcement agencies. I also left a message extending our congratulations to Roback on his selection as a recipient of a Civil Service award this year.
